NOVEMBER 2013

How could you ever start anything about November without first taking a moment to say thank-you? We now have been working in Nicaragua over 16 years. November has been for us a time to see with thanksgiving where we have come, where we are and looking to where God will lead us. We know that none of what has happened, is happening or will happen would be possible without God's blessings of your support, prayers and encouragement.

THANK YOU

We returned from Guatemala with an Eye Surgery team lead by Dr. Russ Burcham and his wife Vicki from Denver, Co. Most of the group was from Denver with some from

Mississippi, Virginia, and Tennessee. The group worked with the local hospital's eye surgery unit and examined over 500 people, providing glasses and doing 52 surgery procedures. Two of the group helped with the remodeling of a house and two others visited our schools and went to the Casa Materna. Luis Prada led the evangelism team of four preachers each day working giving Bibles, material and sharing the message of Jesus so the blind can see.
