This summer, we had the privilege of having Duncan, Gracie and Luke join us! Duncan and Gracie joined us from the University Church of Christ, in Canyon, TX and are students at Lubbock Christian. Luke joined us from the College congregation in Searcy and is a student at Harding University For more about interning send an email to [benny@misionparacristo.com](mailto:benny@misionparacristo.com).

## Smiles 2025: Time to Prepare

July is a great time for both individuals and congregations to jump in and be a part of the MPC initiatives that help provide a Christian education, food, clothes and fun for needy children. This year our goal is 20,000 Smiles. Please help us do **"Just One More..."**

- Kids Against Hunger/MPC Food Packing Events where congregations spend a couple of hours to pack meals
- Smile Boxes: where groups put together boxes of gifts for individual children, showing them that they are loved and remembered
- Sponsors of Kingdom Kids: end of year gift preparations for those who would like to participate
